

Fairteiler / Foodsharing Point

Assenheimer Str.15 / In der Au 14-16

What is this about?

With the Fairteiler / Foodsharing – Points, we want to help people who lack the financial means with food and material donations.

Who are the donations for?

The donations are for all people who have difficulties to get groceries due to their financial situation, e.g. people without home and shelter, people with no secure residence status etc. In general, **anybody** not able to afford the items by themselves, can pick what they want.

How can I donate?

The donations should be originally packed and unused. Though, you are also welcome to donate fresh fruit that is a little more durable, such as apples, carrots or bananas.

Donation of face masks

Since January 25th, it has become obligatory to wear medical face masks in shops and on public transport in Hessen. Therefore we urgently seek donations of face masks (FFP2 and medical masks).

What kind of donations make sense? (to give you some ideas ...)
